## Artificial Intelligence/Machine Learning in Healthcare Current & Future Trends

#### Presenter

**Nick Pileggi** is the Principal Solution Architect at phData, Inc., the largest pure-play service provider for data engineering, analytics and machine learning/AI. With phData, Nick is responsible for working with customers to design and implement data pipelines and machine learning models with the priority of getting things into production and iterating. Prior to working at phData, Nick was a Big Data & Cloud Solutions Architect at Populytics, a fully owned subsidiary of Lehigh Valley Health Network.

Nick holds bachelor's degrees in both computer science and mathematics from DeSales University and holds many industry certifications. These range from security certifications to machine learning certifications on multiple platforms, and cloud certifications in major platforms such as AWS and Snowflake.

In his free time, Nick enjoys skiing and tinkering with cars.

#### After You Register...

- ◆ You will receive a confirmation email with your unique link to join the webinar. This link allows you to access the live meeting on September 26 and is necessary for incentive payments. If you have registered and have not received a confirmation email please contact, Jaclyn Solick at [Jaclyn\\_D.Solick@lvhn.org](mailto:Jaclyn_D.Solick@lvhn.org).
- ◆ A brief survey will be sent the day after the meeting to all attendees. Please take a moment to answer as we value your input for future meetings.
